MINUTES OF THE MEETING OF THE WARSAW FLIGHTS COMMITTEE
ON SUNDAY 9 MAY 1993 AT JAGA VAN DE PUT'S RESIDENCE
AT 11 THE COURTYARD, ATELLA STREET, SABDOWN - SANDTON.

Present: Staszek Czuba

1. Approval of munutes: Minutes of the last meeting. (Post Mortem) of 29 November 1992 were approved (proposer: Jack van Eyssen, seconder: Staszek Czuba)

2. Distribution of functions was discussed and agreed. Up-dated list is enclosed.

3. Venue for this year's function:

3.1. ~~4.1.~~ In accordance with para.5 of the minutes of 29 Nov., several members of the Committee investigated various possibilities. Of these, two were submitted as suitable for the consideration of the meeting:

- The War Museum
- Inanda Club

3.2. ~~4.2.~~ The War Museum. Initial approach was made by Jack van Eyssen and Doug Morris. From the start, official concerned demonstrated their interest and cooperation. They provide the venue with all facilities, but no bar or catering. Apart from Jack and Doug, Jaga and Zyg inspected the site and met the following officials:

- Museum Director Major-General P Pretorius
- and his assistants: Capt. Tony ~~Spears~~ SPIER
Mr Johan Pretorius

On 10 December 1992, the Chairman wrote a letter making a provisional reservation for September 11, subject to confirmation.

3.3. ~~4.3.~~ The Inanda Club. Willing to handle this function, would provide catering and service at under R18 per head and bar at normal prices (which are high).

3.4. ~~4.4.~~ The above two possibilities were discussed in detail. Each has merit but neither is ideal. Inanda offers congenial surroundings and no headache with catering and bar, but few facilities for decorating the venue and creating the right atmosphere for our particular function. Also, on balance, it would probably cost more. The War Museum, on the other hand, provides an excellent venue for our military function and unique atmosphere with no extra decoration required (except perhaps a few flags), and has a specific aura and prestige. Against that, it poses the

problem of organising the bar and catering. The choice was discussed jointly with p.4 below, as the decision had to be based on all considerations involved. Finally consensus was achieved and the decision taken in favour of the War Museum. The Chairman was requested to write a formal letter to the Director of the S.A.Museum of Military History, confirming the reservation.

4. Catering and Bar:

4.1 Catering. After having examined a number of offers, Jaga van de Put recommended caterer Marylin Forbes, trading as "Good-Looking Cook". Her quotation (incl.amended VAT) is R14,58 per head. Marylin can also provide waiters at R18 per hour each. This was accepted unanimously. It was decided to obtain the services of 2 waiters for 2 hours. In addition, Jaga will mobilise Polish young ladies who will be dressed in national costumes and double-up as usshers, entrance fee checkers/collectors and waitresses. Shlould the need arise, Jack van Eyssen could provide three young ladies from his family.

4.2. Bar.

4.2.1 It was decided to limit the range of refreshments to wine, beer and soft-drinks and to include refreshments in the price of the ticket. In this way, handling of cash in the bar will be avoided.

4.2.2 The meeting elected Doug Morris to take charge of the bar. Doug accepted. His duties will include:

- arranging supply, delivery & collection of liquor and soft drinks and payment therefor
- engaging 2 barmen and controlling them
- arranging 2 or 3 serving points in the function area.

5. Prices of admission:

5.1. To provide for the inclusion of refreshments in the entrance fee, and in order to cope with the cost of waiters, barmen and possible extra expenses, it was decided to set the prices of admission as follows:

R30	single
R50	per couple
R.5	childred under 12

5.2 The margin over the unit catering cost is to provide fo

- non-paying guests (est.minimum 30)
- donation of R200 to the Museum
- printing of invitations and reply slips
- postages and incidentals.

A provisional calculation indicates that the budget is tight and therefore any donations are very welcome.

5.3 Current balance on our account is R1173,-

6. Guest Speaker: It was decided to approach Dirk Ackerman in the first instance and Ron Haywood in the second instance. Should none of them be available - Zyg Fudakowski would stand in.

Subsequent to the meeting, Dirk Ackerman was approached by the Chairman and accepted.

7. Chaplain: The turn being for a protestant padre, Doug Morris proposed the Rev. Davied Jones. Doug will approach him and advise.

Subsequent to the meeting it transpired that the Rev. Davied Jones was not available on due date. Instead, the Rev. Jack Dalziel (ex of St Colombus Church) was approached and agreed to officiate.

8. List of addresses - up-dating: Jack & Piotr are working on it. The list will be up-dated by the end of May.

9. Invitations - printing: Doug Morris to obtain another quotation and submit it to Piotr.

10. General:

10.1 Publicity. Following on p.3.2 of the "Post Mortem" minutes, Muriel Bates had spoken to Piotr prior to the meeting. She indicated that she was working on establishing higher-level contacts at the SABC, but pointed out that the main difficulty was that our function fell on a Saturday, when main interest was in sport and entertainment. A discussion ensued, in which the following points were made:

- The SABC is to get a complete new Board, and any present contacts will soon be useless
- work has to start on making contacts with the new Board and higher officials as soon as the new authorities settle down. We must keep an eye on the 1994 50th anniversary.
- it was agreed that in the current climate it would be appropriate to keep a low profile and therefore this year publicity must be low-key.

10.2 Maps. Jack is working on a tactical map showing the route from South Italy to Warsaw during the operations. Also, Jack will produce a map indicating the route from the Katyn Memorial to the War Museum.

12. Date & place of the next meeting:

Sunday 11 July 1993 at 1500 Hrs at Zyg Fudakowski's residence at 46 Four Gables, 139 Rivonia Road, Sandown - Sandton.

3. Adoption of Minutes

Minutes of the last meeting were adopted with above changes.
Proposer: Jack van Eyssen, seconder: Piotr Jelonek

4. Matters arising:

- 4.1 Catering: Piotr reported on behalf of Jaga that all was under control. Jaga had taken Marilyn Forbes to the War Museum where she showed her all facilities and introduced her to Tony Spier. Permission to have access to the premises the evening before the function was also obtained.
- 4.2 Bar: Before leaving for the South Coast, Doug Morris reported that he had organised everything, i.e.: suppliers, barmen and determining serving points.
- 4.3 Parking: Having discussed with Capt. Tony Spier, Jack advised that the parking area inside the grounds, with entrance opposite Saxonwold Drive, offered ample parking. Tony advised that this parking be used for all participants.
- 4.4 Guest Speaker: The Chairman reported that Dirk Ackerman had accepted and that he had been provided with the necessary background material for his address. It was decided that no payment will be requested from Dirk.
- 4.5 Chaplain: The Chairman reported that Rev.Jack Dalziel was taken to the Memorial grounds and given all the necessary information for him to conduct the dervice.
- 4.6 Invitations: Printed and ready. Piotr submited to the meeting a specimen of the invitation. The cost of printing of invitations and reply slips was R320 (last year R540).
- 4.7 Maps: Jack submitted the map he had drawn of the route from the Katyn Memorial to the War Museum. This was given to Piotr, who will have the map reduced and photostated.

The meeting expressed appreciation to Jack for the clear and professional way in which the map was drawn.

5. Chairs: Zyg Fudakowski reported that he had obtained from Wit.Command an undertaking that the 300 chairs would be delivered by Group 18 on September 11 to the Katyn Memorial by 0830 Hrs. Zyg would liaise further with Col.J Le Crerar, O.C. Group 18, regarding both chairs and security.

6. Fly-past and guard of honour:

Zyg Fudakowski reported that Ron Haywood had written to General Kriel, asking for a Guard of Honour and bugler and for permission for a fly-past over the Katyn Memorial during the service. Subsequent to the meeting, Jack van Eyssen followed up with Col Wepener at the Air Force H.Q. and Cmdt.Greef of the 44 Squadron.

7. Publicity:

7.1. The decision taken at the last meeting to keep a low profile this year and to maintain publicity at a low-key level, was discussed. It was agreed that things had quietened down by now, and that we ought to seek advice from the Air Force HQ. Subsequent to the meeting, Jack consulted Col.Wepener in this matter. His opinion was that it seemed that the initial symptoms of animosity to the Poles have blown over and that there would be no harm in normal pre-event publicity, without undue pressure on the media. Muriel was advised accordingly.

7.2 Muriel also expressed a few thoughts on next year's anniversary celebrations. It was recognised that no planning was possible in the present transitional situation in S.A. politics. The matter should be discussed fully at the "post Mortem" meeting later this year.

8. Polish Association: The Chairman reported to the meeting that he had spoken to the Cairman of the Polish Association, Mr Waldemar Wojtowicz, and pointed out to him that the person he had delegated to represent the Association at our Committee, Ms Uchrońska, had not attended a single meeting in 18 months, and never sent an apology. Would Mr Wojtowich please delegate someone else. His answer was that in future he would attend meetings himself. However, he was going on holiday and would therefore not be able at attend the meeting on July 11 - he would ask Ms Uchrońska to attend this one time. It now appears that Ms. Uchrońska had not been approached.

Zyg Fudakowski also broached the subject of the contribution which the Association was making for many years towards the Warsaw Flights Commemoration. Last year there had been difficulties and no contribution was made. Mr Wojtowicz promised that the Polish Association would give us R400 this year.

9. Polish Scouts: The Chairman reported that he had spoken to Father Bogdan and asked him for six scouts to be delegated to help at the ceremonies on Sep.11. Father Bogdan agreed enthusiastically. In discussion at the meeting it was pointed out that past experience showed

that these scouts were unpunctual and not always reliable. The Chairman stated that he would call on Father Bogdan and impress on him the necessity for punctual appearance by the scouts and for their disciplined behaviour.

1. Polish Association: Waldek Wojtowitz, Chairman of the Polish Association, will from now on himself represent the Polish Association on our Committee.
2. Stefan Smoleniec: The Chairman advised the meeting of the illness of Stefan Smoleniec. The meeting asked the Chairman to convey to Stefan their best wishes of a speedy recovery.
3. Adoption of minutes: Minutes of the last meeting of 11 July were adopted. Proposer: Muriel Bates, seconder: Jack van Eyssen.
4. Check-list of responsibilities:

all areas of responsibility were scrutinised according to the list "Distribution of functions". Among the points requiring specific mention:

4.1. Reception

4.1.1 Jaga reported that Marilyn Forbes had left for overseas and passed everything to her associate. It was necessary virtually to re-negotiate the deal previously agreed upon. Eventually the price of R15,50 per person excluding VAT was agreed, provided however, that we commit ourselves to a minimum of 200 guests. The other condition was a down-payment of one-half of the total being 100 x 17,50 plus 10% VAT. This amounted to R1705, which has already been paid.

4.1.2. Bar: Doug Morris reported that all was under control regarding supplies, and that the services of two waiters at R.18 per hour were secured. The positioning of the tables was discussed and agreed upon. The bar will close sharp at 1415 hrs.

4.1.3 Jaga secured the required complement of ladies who volunteered to serve the snacks and man the control table. Waldek advised that the national costumes are in the care of Mrs. Agata Runowicz, available at the telephone No. of the Sterkfontein Hospital, Ext. 384.

4.1.3. It was suggested that a sticker be used to identify those authorised to enter the reception area,

4.1.4. Usshers: 4 men volunteered to help Piotr as usshers. In addition, Father Bogdan promised 4 scouts and two girl-guides to assist at the Memorial and in the parking grounds at the War Museum.

4.1.5. National Anthems: Jack van Eyssen will bring his own equipment. Piotr will supply him with the tape of the Polish Anthem.

4.2. Security

4.2.1 The Chairman advised that Group 18, Wit. Command, would provide security at the Commemoration ceremonies. The Chairman is in touch with Cmdt. Hearn and will meet him at the Katyn Memorial on Monday 6 September to discuss details on the spot.

4.3. Publicity

Muriel Bates was requested to concentrate her efforts on the coverage of the function itself, rather than on advanced publicity.

4.4 Polish Combatants: Staszek Czuba undertook to order the wreath. Wlodek Strzalkowski will lay the wreath.

5. General

5.1. The Chairman advised that he had just received from Mr.W.Wojtowicz a cheque for R400.- being the contribution made by the Polish Association towards the cost of the Commemoration. Appreciation was expressed.

5.2. At Jack van Eyssen's suggestion, it was agreed that he, the Chairman and Doug Morris together would visit the War Museum on the morning of Wednesday 8 September, to finalise the last details.

6. Date and place of the next (post mortem) meeting

Sunday 31 October 1993 at 1500 hrs at Doug Morris' residence at:

509 Ben Avon, Ben Eden
Benmore Gardens - Sandton
Tel. 883-2780

MINUTES OF THE MEETING OF THE WARSAW FLIGHTS COMMITTEE ("POST MORTEM") ON SUNDAY 31 OCTOBER 1993 AT DOUG MORRIS' RESIDENCE AT 509 BEN AVON, BENMORE GARDENS, SANDTON.

Present: Muriel Bates

Zyg Fudakowski (Chairman)
Peter McLean
Doug Morris
Andrzej Romanowicz
Jaga van de Put
Jack van Eyssen

- 1. Apologies: Piotr Jelonek
Ron Haywood
Stefan Smoleniec

2. General overview of the commemoration ceremonies on 11 September

2.1. Prior to opening the discussion, the Chairman stressed the very high degree of team-work and valuable contribution made by individual Committee members. His detailed statement is enclosed as Annex.1.

2.2. It was generally agreed in discussion that the function in both its phases was a great success. Particular points made:

- The venue at the War Memorial was a very happy choice. The atmosphere there was unique and cannot be compared with previous venues.
- Standard of catering - good
- Service excellent and friendly
- Bar functioned smoothly and efficiently - no waiting.
- Deputy Mayor arrived too soon at the War Museum (perennial problem)
- Again, Jaga was the only Committee member to greet the first VIP's arriving at the reception - (ditto)
- S.African anthem needs re-taping (too short). Jack's comment: "We may have a different anthem next year"
- Moving of guns exhibited at the Museum should be restricted to a minimum.

2.3. The Chairman read out the letter of thanks addressed to the Director of the War Museum, Gen. Philip Pretorius on 14 September 1993, and mentioned other letters of thanks sent out after the Commemoration. He also advised that he had thanked Captain Tony Spear for his help and outstanding cooperation.

3. Finances.

3.1. We have sustained a net loss of R 508,47. Our balance on hand is now R 675,72. (Account statement - Annex.2)

3.2. A detailed statement of Revenue & Expenses is enclosed.

4. Publicity

- 4.1. In line with guidelines issued, publicity was limited to the coverage of the function itself. As such, we got fair exposure. Muriel Bates' report is enclosed as Annex..3.
- 4.2. In view of the fluid political situation it is not possible to formulate policy regarding next year's 50th anniversary. Hopefully, the next meeting will be in a better position do do so.

5. Date of next year's Commemoration (50th anniversary):

SATURDAY 10TH SEPTEMBER 1994

6. Possibility of a Mayoral function

- 6.1. The Chairman advised that at the reception, the Deputy Mayor, Councillor Dr.P.Pretorius, had made a broad hint regarding a Mayoral Function next year. He advised us to approach the Mayor by formal letter in January 1994, and himself promised to promote the idea when the time comes.

7. Guest Speaker for the 50th Anniversary.

- 8.1. Jaga suggested the lady who has recently taken over as Chairperson of the Institute of International Affairs, Dr.Sarah Pienaar.

Muriel suggested Air Vice-Marshal Johnny Johnson. It was pointed out, however, that he would be too involved in commemorations of the Battle of Britain

Jack mentioned Air Marshall Sir Philip Lagasen who resides in Natal. He was connected with the 31 Squadron after the Warsaw operations.

Subsequent to the meeting Jack reported that he had approached Sir Philip, who enthusiastically agreed.

8. General

- 8.1. Jack van Eyssen mentioned that it was time we asked Rev.Brian Jones, who was serving as navigator in Bob Klette's crew, to conduct the service. In discussion it was pointed out that by tradition, the next service should be Catholic. It might be appropriate, however, it being the 50th anniversary, to hold an ecumenical service, in which case Rev.Brian Jones would be invited to join the Polish chaplains. The Chairman undertook to discuss this matter with Mons.Jaworski.
- 8.2. Jack van Eyssen asked all concerned to play down the continuous references to himself in all publicity and public pronouncements, and to put more emphasis on the heroism of other members of No.2 Wing. Noted.

- 8.3 Muriel Bates raised the matter of the film with the sound track - we must try and utilise it next year, combining it if possible with shots from Michalin with Broniek Kowalski. It was agreed that Muriel would liaise with Andrzej Romanowicz in this respect.
 - 8.4. Peter McLean has in his possession brass flag masts from Jaga. Staszek Czuba agreed to uplift these.
 - 8.5. It was suggested that should we run the bar on the same basis next year, we should look for two volunteer barmen to save money.
 - 8.6 Jack suggested that a letter be written to Miss Lil Visser, in charge of the Katyn Memorial grounds, thanking her for her help and cooperation. Also, to present her with a small gift. Agreed.
9. Date and place of the next meeting

Subject to confirmation, the next meeting will take place on Sunday 5th May 1994 at Zyg Fudakowski's residence at 46, Four Gables, 139 Rivonia Road, Sandown, Sandton.

-
- Annexes: 1. Chairman's statement
2. Accounts
3. Muriel Bates' report.

Chairman's statement

Before we go into details, I would like to thank all of you for an outstanding effort which made our Commemoration ~~on~~ 11 September an outstanding success. In particular:

Jaga van de Put - for negotiating and organising the catering, the decorating of the reception area at the War Museum, ladies to man the cotrol tables and serve snacks, for acting as Hostess and for offering us the facilities of her Company for secretarial needs throughout the year.

Piotr Jelonek - for his invaluable input in conducting the secretarial work, for negotiating the printing of invitations and leaflets, for managing the seating arrangements, organising ushers and parking attendants, monitoring replies, controlling finances and attending to all other details too numerous to mention.

Jack van Eyssen - for liaising with the Air Force, for being our main link with the SAAF Association, for drawing maps, doing a splending P.R.job, helping with the record of addresses and using his valuable contacts in dozens of dfferent ways.

Muriel Bates - for achieving very good publicity results within the strict limits of the stated policy and for her sustained enthusiasm in throwing ideas into the ring.

Staszek Czuba - for organising the P.A.system, for his invaluable help in transport and storage of equipment, and for the very many small but important functions he carried out willingly and cheerfully without regards to his serious health problems and heavy business commitments.

Doug Morris - for the smooth and efficient way in which he organised and controlled the functioning of the bar at the War Museum. It was a particularly difficult function, that few of us would have liked to tackle. Doug did it with outstanding success.

Andrzej Romanowicz - for the smooth and efficient way in which he organised the wreath-laying ceremony and for his valuable contribution all round throughtout the year.

Peter McLean - for his steady input of ideas and for establishing contacts with various organisations.

Stefan Smoleniec - for his sustained work in liaising with military authorities, War Veterans etc. We wish you a speedy recovery and an early resumption of your duties..

I thank you all. Without exception, each Committee member has made his/her contribution and it has been a priviledge to have worked with you as coordinator and leader.

Dear Sirs,

50th Anniversary - Warsaw Flights

I am planning a visit to Johannesburg somewhere between mid-July and mid-September.

I have, until now (I hope), been unable to attend any of the previous commemoration ceremonies in respect of the above event but I would very much like to do so this year.

I realise this enquiry could be far too early, but is it ^{at} all possible at this stage to advise the likely date of the 50th Anniversary? Thank you.

Yours faithfully,
W.E. Symes

Dear Sir:

For the last few years we enjoyed the facilities of your Club to hold our annual September reception to commemorate the heroic flights of South African airmen over Warsaw in 1944.

Normally we would be approaching you at this time to discuss this year's arrangements. As it happens, however, we have had an invitation from the South African War Museum to hold the reception there. It is a venue particularly suited for a military function of this nature and our Committee decided to accept.

The purpose of this letter is to express to you our sincere thanks and appreciation for the splendid cooperation you and your Committee have given us over the last few years. We thank you also for allowing us to store certain of our decorations on your premises. These will be removed shortly by our Committee member Mr S Czuba, who will liaise with your House Manager Mr Mole in this respect.

We wish you and your Club every success and prosperity. Who knows, maybe circumstances will change and we will approach you again some time in the future.

Dear Mr. Chairman,

Thank you for the invitation to the commemoration ceremony to the 49th anniversary of the Warsaw Rising and the Relief Flights in 1944.

Unfortunately I will not be able to attend but I send the best wishes on behalf of members of our Club.

You may like to know that we expect a party of about 50 Club members (including wives) to travel to Warsaw next year for the 50th Anniversary of the Uprising. A complete programme and costings have not yet been worked out but we have preliminary costings for a five day trip to Warsaw and a 10 day trip to Warsaw, Tarnow and Krakow.

The 5 day trip by air from London, starting 28th July and returning 2nd August, would cost approx. £350 and we would stay at the Europjeski Hotel on a B/B basis. This would include a City Tour and a half day tour to Wilanow Palace and also a coach to Michalin for a ceremony at Broniek Kowalski's Memorial to Jack Van Eysen's crew and a coach to Powazki Cemetery on the 1st Aug (A.K. Cemetery).

The second trip would be as above for Warsaw but we would leave by coach for Tarnow on the 2nd August visiting a couple of crew memorials on the way (Lt. Lithgow 34Sq SAAF - Lt. Lawson (SAAF) 178 RAF & F/Lt Blynn 148 RAF). We would stay overnight at the Hotel Tarnovia and the next day we travel to Krakow visiting the memorials to Capt Lawrie's crew, 31 Sqd SAAF, at Lysa Gora and to P/O Crabtree's crew, 148 Sqdn RAF, at Wojnicz which are on our way to Krakow.

The second tour would cost approx. £480. We have yet to arrange details of our visit to Krakow but our friends of the Krakowski Klub Seniorow Lotnictwa who we met on past visits will help us with this matter.

I don't know whether or not your Committee are making any arrangements to visit Poland next year but, if you are, you would be welcome to join our party either from London or when you get to Warsaw.

Meanwhile, I sent our best wishes.

Yours sincerely,

Thank you very much for once again doing us the honour of inviting us to join you all in commemorating the anniversary of the Warsaw Rising and the Relief Flights in 1944.

We have left our reply until the last possible minute in the hope we would both be able to make it to both ceremonies. As you can see from the above address, we are living, for the time being, some one and a half hours from Johannesburg.

Unfortunately, Eunice will have to stay at home, as we have a guest from Zimbabwe staying with us for a few days, but I would like to attend on behalf of both of us and our good friends Mikael and Sylvia Najbick in Pietermaritzburg, and remembering the late Tadek Kaufman from Midrand.

To sum up:-

- a. only Lt Gen Peter Walls and not Eunice will be at the religious service at the Katyn Memorial
- b. regretablely, neither Peter nor Eunice will be able to attend the reception at the South African National Museum

Kind regards,

Eunice and Peter Walls

Dear Sir,

Having been today advised by Miss E. Price our Vice-Chairman of the non-receipt of our previous letter d.d. 1st instant, we hereby confirm that we will be laying a wreath at the service but will not be able to attend the reception at the S.A. RE: WARSAW FLIGHTS COMMEMORATION - 11 SEPTEMBER 1993

On behalf of the Organising Committee, I have great pleasure in conveying to you, Sir, our sincere thanks for allowing us to hold our function on the premises of the S.A. War Museum. This splendid and impressive background to the reception contributed a great deal to making it a resounding success.

Our thanks also go to Capt. Tony Spear whose friendly help, co-operation and patience enabled us to organise all details as was required, and to John Taylor, whose tireless efforts as duty officer at the function, as well as good-natured assistance during and after the ceremony, made for the smooth running of the whole operation.

Numerous participants in the Commemoration ceremonies expressed their delight at having attended this reception at the venue most appropriate for this occasion.

I have pleasure in enclosing a cheque for R 200, as our contribution to the Museum, and wish you every success in maintaining and expanding this important national shrine, which hopefully will be allowed to prosper for the benefit of all citizens, young and old, in the new South Africa.

With thanks and best personal wishes, I am, Sir,

Yours sincerely

In the name of the Organising Committee, I would like to express to you our sincere thanks for having conducted the religious service at our commemoration last Saturday.

Your sermon was most appropriate, inspiring and moving, as well as punctual to the point of military precision.

I hope you enjoyed the reception at the War Museum - it was a pity Mrs. Dalziel was not able to be present at this part of the proceedings.

I take the liberty of enclosing a small donation of R50 as a token of our sincere appreciation.

DATE 25 August 1993

OFFICE OF THE MAYOR — JOHANNESBURGPROTOCOL AND ARRANGEMENTS : ATTENDANCE OF MAYORAL PERSONAGES

1. TIME: The Mayoral car will arrive at the venue exactly on time.
2. ARRIVAL AND DEPARTURE: The reception party or person should always meet the Mayor at the car and should be on the pavement or at the entrance to the building as the Mayoral car arrives, and should step forward when the chauffeur opens the door of the car and introduce himself, to be followed by the others, if any.

In the event of the State President, a Cabinet Minister or senior personage also being present, the Mayor and Mayoress should be scheduled to arrive five minutes beforehand.

After the customary greetings, as indicated above, the Mayor would wait with the reception party and be the first to greet the State President, Cabinet Minister or senior personage.

Once the Mayor has introduced the host, the latter would take over the introductions of the remainder of those present, if any.

At the conclusion of the function the chauffeur should be informed of the imminent departure of the Mayor and Mayoress, they should then be accompanied by an appropriate person to their car, who will then wait until the car has driven away.
3. FORM OF ADDRESS: The correct form of address is, Mr Mayor and Madam Mayoress.
When referring to them in the course of a speech, it is His Worship the Mayor and Madam Mayoress.
The correct form of address for their deputies is, Mr Deputy Mayor and Madam Deputy Mayoress.
4. SPEECHES: If required at all, the Mayor's role is frequently to give a short word of welcome or congratulations or officially open a function. Maximum time three minutes.
5. DRESS: It is important to be quite specific on dress requirements for the Mayor and Mayoress.

Changes of clothes often become necessary for the Mayoral couple after previous functions and these necessitate a suitable time interval.

It may also happen that at evening functions the Mayor would be present with black tie despite a request for informality.
6. SEATING ARRANGEMENTS: The Mayor is always on the immediate right of the host if he is the senior guest present. Where feasible, the Mayoress is on the left of the hostess. They can be seated together if required. The Mayor/Deputy will at all times be accompanied by a security officer. See also point 10 on next page.

Guests are presented to the Mayor and Mayoress, not vice versa.

In the event of the State President, a Cabinet Minister or Administrator also being present, the main table seating arrangements may be discussed with the Mayor's Secretary.
7. MAYORAL PROGRAMME Any extensive tours or lengthy periods of standing which may be required of the Mayoral couple should be discussed with the Mayor's Secretary beforehand.
8. ATTENDANCE FORM: Please complete the attached form legibly or type-written in triplicate and forward two copies to the Mayor's Secretary as soon as possible, retaining the third copy for your records.
9. PRESENTATIONS: The attention of the Organisation is drawn to the suggestion that, particularly where this applies to a charity, no kind of gift or memento should be presented to mark the occasion, which the charity involved can well put to its own funds.

PROTOKOL EN REËLINGS : BYWONING VAN BYEENKOMSTE DEUR BURGEMEESTERS-
EN ONDERBURGEMEESTERSPARE

1. TYD: Die Burgemeestersmotor sal presies op die aangegewe tyd by die bestemming aankom.
2. AANKOMS EN VERTREK: Die verwelkomingsgroep of -persoon moet die Burgemeester altyd by die motor ontmoet en hom op die sygaardjie of voor die ingang van die gebou inwag en moet vorentoe tree wanneer die chauffeur die motordeur oopmaak en homself bekend stel, gevolg deur die ander lede, indien enige.

As die Staatspresident, 'n Kabinetsminister of ander vername persoon ook teenwoordig gaan wees, moet daar gereël word dat die Burgemeester en Burgemeestersvrou vyf minute voor dié persoon opdaag.

Na die gebruiklike verwelkoming, soos hierbo beskryf, wag die Burgemeester saam met die verwelkomingsgroep en groet hy die Staatspresident, Kabinetsminister of vername persoon eerste.

Sodra die Burgemeester die gasheer bekendgestel het, stel laasgenoemde die res van die groep, indien enige, voor.

Na afloop van die byeenkoms moet die chauffeur, wanneer die Burgemeester en die Burgemeestersvrou op die punt staan om te vertrek, daarvan verwittig word. 'n Geskikte persoon vergesel hulle dan na die motor en wag daar totdat die motor wegtrek.
3. AANSPREEK-VORM: Die korrekte aanspreekvorm is "Meneer die Burgemeester" en "Mevrou die Burgemeestersvrou". Wanneer daar in 'n toespraak na hulle verwys word, is die korrekte vorm "Die agbare Burgemeester" en "die Burgemeestersvrou". Die korrekte aanspreekvorm vir hulle adjunkte is "Meneer die Onderburgemeester" en "die Onderburgemeestersvrou".
4. TOESPRAKE: Die Burgemeester word gewoonlik gevra om 'n kort woord van verwelkoming of gelukwensing te spreek of om 'n byeenkoms amptelik te open. Die maksimum tyd is drie minute.
5. KLEREDRAG: Dit is belangrik om die gepaste kleredrag vir die Burgemeester en Burgemeestersvrou duidelik aan te dui.

Die Burgemeesterspaar moet dikwels tussen byeenkomste gaan verkleed en daar moet genoeg tyd hiervoor toegelaat word.

Dit kan ook gebeur dat die Burgemeester by 'n aandbyeenkoms swartdasdrag aan het, hoewel daar versoek is dat hy informeel gekleed moet wees.
6. SITPLEK-REËLINGS: Die Burgemeester sit altyd aan die regterkant van die gasheer as hy die vernaamste gas is en die Burgemeestersvrou, waar moontlik, aan die linkerkant van die gasvrou. Hulle kan ook langs mekaar sit as dit verlang word. Die Burgemeester/Onderburgemeester word altyd deur 'n sekuriteitsbeampte vergesel. Kyk ook punt 10 op die volgende bladsy. Alle gaste word aan die Burgemeester en Burgemeestersvrou voorgestel en nie andersom nie.

As die Staatspresident, 'n Kabinetsminister of Administrateur ook teenwoordig gaan wees, kan die sitplekreëlings vir die hoof tafel met die Sekretaris van die Burgemeester bespreek word.
7. BURGEMEESTERS-PROGRAM: As daar van die Burgemeesterspaar verwag gaan word om lank op die been te wees, moet die saak vooraf met die Sekretaris van die Burgemeester bespreek word.
8. BYWONINGS-VORM: U moet asseblief die aangehegte vorm duidelik in drievoud invul of tik en twee afskrifte so gou doenlik aan die Sekretaris van die Burgemeester terugstuur, terwyl u die derde afskrif vir u lêers hou.
9. GESKENKE: Daar word aan die hand gedoen dat 'n organisasie, veral 'n liefdadigheidsorganisasie, geen geskenk of iets ter aandenking aan die geleentheid moet aanbied nie. Die organisasie kan dit liever ter stywing van sy eie fondse aanwend.

10. ARRANGEMENTS REGARDING THE SECURITY OFFICER/S ACCOMPANYING THE MAYOR/
DEPUTY MAYOR TO FUNCTIONS

The Mayor/Deputy Mayor will at all times be accompanied by one Security Officer. The Security Officer will drive with the Mayor/Deputy Mayor in the official car.

The Security Officer will at all times walk immediately behind the Mayor/Deputy Mayor.

When a function is of such a nature that the Mayor/Deputy Mayor is expected to stand around, the Security Officer will remain in close proximity.

When the Mayor/Deputy Mayor is seated at a main table, provision must be made for the Security Officer at a table close to the main table, where his view of the Mayor/Deputy Mayor will not be obstructed.

When the Mayor/Deputy Mayor attends a show or is seated in a hall facing the stage, the seat immediately behind the Mayor/Deputy Mayor must be reserved for the Security Officer.

When the Mayor/Deputy Mayor attends a function at the Civic Theatre and is seated in the Mayoral Box, seat L 131 (next to the Mayoral Box) must be reserved for the Security Officer.

If any cost is involved in making additional provision for the Security Officer, the Mayor's Secretary must be advised accordingly.

The Security Officer should always be treated as an ordinary guest and will be dressed to suit the occasion. For obvious reasons it is requested that the presence of the Security Officer should be as inconspicuous as possible.

10. REËLINGS IN VERBAND MET SEKURITEITSBEAMPTE/S WAT DIE BURGEMEESTER/
ONDERBURGEMEESTER NA FUNKSIES VERGESEL

Die Burgemeester/Onderburgemeester word te alle tye deur een sekuriteitsbeampte vergesel. Die sekuriteitsbeampte ry saam met die Burgemeester/Onderburgemeester in die ampsmotor.

Die sekuriteitsbeampte loop te alle tye net agter die Burgemeester/Onderburgemeester.

Wanneer 'n funksie van so 'n aard is dat die Burgemeester/Onderburgemeester moet rondstaan, bly die sekuriteitsbeampte naby die Burgemeester/Onderburgemeester.

Wanneer die Burgemeester/Onderburgemeester by 'n hoofafel moet sit, moet daar voorsiening gemaak word dat die sekuriteitsbeampte by 'n tafel naby aan die hoofafel sit waar hy 'n onbelemmerde uitsig op die Burgemeester/Onderburgemeester kan hê.

Wanneer die Burgemeester/Onderburgemeester 'n vertoning bywoon of in 'n saal moet sit waar hy na 'n verhoog kyk, moet die sitplek onmiddellik agter die Burgemeester/Onderburgemeester vir die sekuriteitsbeampte uitgehou word.

Wanneer die Burgemeester/Onderburgemeester 'n byeenkoms in die Stadskouburg bywoon en in die Burgemeesterslosie sit, moet sitplek L 131 (langs aan die Burgemeesterslosie) vir die sekuriteitsbeampte uitgehou word.

As enige koste aangegaan word om bykomende voorsiening vir die sekuriteitsbeampte te maak, moet die Sekretaris van die Burgemeester dienooreenkomstig verwittig word.

Die sekuriteitsbeampte moet altyd as 'n gewone gas behandel word en sy kleredrag sal by die geleentheid pas. Om begryplike redes word daar versoek dat die teenwoordigheid van die sekuriteitsbeampte so onopsigtelik moontlik gehou word.

WITH THE

INSTALLATION OF

COLONEL R.F. HAYWOOD, SSA, JCD

AS

HONORARY COLONEL OF 44 SQUADRON

21 APRIL 1993

COLONEL RONALD FREDERICK HAYWOOD, SSA, JCD

Col Haywood was born in Johannesburg, matriculated at Jeppe High School, married Valerie and has two children and three grandchildren.

Col Haywood has participated in numerous sports and has obtained Provincial Colours for Eastern Province in water polo.

He was a member of the Junior Chamber of Commerce, a Council Member of the Johannesburg Chamber of Commerce and Industry, a member of Round Table and currently of the Rotary Club. For the last 40 years he has been a member of the SAAF Association and National President for 1986 and 1987.

In business Col Haywood started in the Treasury Department of the Johannesburg Municipality, but then moved to major corporations where he held senior management positions, eg Claude Neon Limited, Caltex Oil S.A., S.A. Nylon Spinners and later became the Sales and Marketing Director for Sigma Motor Corporation (now SAMCOR). For the major

portion of his career he was employed at Midmacor Holdings (Pty) Ltd where he reached the position of Managing Director for the Group. He was also Marketing Consultant for the Bonuscor Group and a director of companies like Mitco Tools Suppliers, Bonuscor Steel, Univa and Camec.

He later became the Executive Director of the SA Federated Chamber of Industries. With the merger between SAFCI and ASSOCOM, he assumed the position of Deputy Director-General of the South African Chamber of Business.

Colonel Haywood started his Citizen Force aviation career in December 1950 with Flight Three, Auxiliary Air Training Wing at Rand Airport. After obtaining his SAAF Wings on the 14th of June 1952, he saw service with 40 Squadron at Rand Airport, 8 Squadron at Bloemfontein and 6 Squadron at Port Elizabeth, where he became Flight Commander. During this period he flew Tiger Moths, Harvards, Spitfires and Vampires ending with 880 flying hours on single-engined military aircraft.

He joined 44 Squadron (Citizen Force) in May 1963 and had flown 1756 hours on Dakotas and 1388 hours on Skymasters after 18 years of service, completing his Air Force flying career with a total of 4233 hours.

During his career at 44 Squadron, he became an 'A' Cat (VIP) pilot on both Dakotas and Skymasters and reached the rank of Commandant after which he was transferred to a staff post in 1981.

For his services to the South African Air Force, the South African Air Force Association and for international bridge-building, Col Haywood became the first Citizen Force pilot to be awarded the prestigious Order of the Star of South Africa (non military) Grade 3 Commander Class. He has also been awarded the Chief of Defence Commendation Medal, the Southern Africa Medal, the General Service Medal, the Medal for Distinguished Conduct and Loyal Service, the SADF Good Service Medal (Gold), the John Chard Decoration and the John Chard Medal.

ROLE AND FUNCTIONS OF AN HONORARY COLONEL IN THE SA AIR FORCE

The appointment of Honorary Colonels is an established tradition in the SA Air Force. Any distinguished citizen of the RSA who is deeply interested in the preparedness and welfare of the SA Air Force and, in particular, the welfare of a specific squadron may be appointed as the Honorary Colonel thereof. The appointment as Honorary Colonel is merely a titular appointment and the designation "Colonel" is used as a form of address only when such person acts in uniform at parades or other formal functions of the relevant unit, during operational deployments, or when he visits the Squadron.

An Honorary Colonel of a Squadron is entitled to wear the respective prescribed uniform on those occasions when he formally acts in such capacity. Such occasions include ceremonial parades, unit functions (formal dinners, luncheons, cocktail parties, etc), his visits to the Squadron during training, on sports, parent and open days, as well as other SAAF functions to which he has been invited as a result of his appointment. Although his is only a titular appointment, the appropriate compliments should be paid to him. During squadron parades he may form part of the dais group and may on occasions return the salute.

The Honorary Colonel should be kept informed of the broader activities of the Squadron and should visit the unit at least once every three months. He must build up a personal bond with the personnel of the Squadron. In order to foster and promote mutual respect and trust, the Honorary Colonel should be aware of the organizational hierarchy of the Squadron and should at the very least know the officers and their spouses. The Honorary Colonel also serves as a link between serving and former Squadron members in order to promote camaraderie, morale, squadron tradition, esprit de corps and unit pride. The spouse of the Honorary Colonel should assist her husband in the execution of his Squadron duties. She therefore also plays an important role in the activities of the ladies of the Squadron.

44 SQUADRON HISTORY

INTRODUCTION

Forty-four Squadron was originally formed as 43 Squadron with pilots converting to twin-engined Oxford aircraft at Pietersburg and Nigel. The Squadron sailed from Durban on 8 February 1944 for their new base headquarters at Cairo West and arrived on 12 March 1944 under the command of Major O.G. Davies, DFC. On this day the Squadron number was changed from 43 to 44. The Squadron took delivery of its first 3 Dakotas on 27 April 1944.

WORLD WAR TWO HISTORY

By August 1944, under the command of Lieutenant-Colonel P.C. Ginn, 44 Squadron had officially started operations. The 23 aircraft on strength commenced routine scheduled flights, calling at Habbaniva, the Persian Gulf, Southern Arabia and Khartoum.

Routine flights were extended to Cyprus, Rabat Sala and Naples. Special flights included Bari, Rome, Khartoum, Aden, Port Sudan, Asmara, Palestine, Mersa, Matruh, El Adam, Shariah, Teheran, Marseilles, Forli, Cairo West and Zara with an occasional "special" to the United Kingdom. A 44 Squadron Dakota was also based in Russia during the historic conferences between Winston Churchill and Joseph Stalin.

At the end of January 1945, 44 Squadron moved to Bari under the command of Lieutenant-Colonel K.S. Jones, AFC. Using both Dakotas and Ansons, the Squadron carried out routine scheduled transport services and also provided support to the Partisan forces in Yugoslavia. During this period Major E.R. Mauritzzi, AFC, also served as Squadron Commander.

On the 12th of December 1945 under the command of Lieutenant-Colonel A.D. McKellar, the Squadron disbanded and was repatriated to South Africa. In the 19 months in which 44 Squadron operated in the operational theatre, it flew a total of 39 423 hours 15 minutes, which averages out at 2 000 hours per month.

REFORMATION OF 44 SQUADRON

On 13 November 1953 44 Squadron was reformed, this time as a Citizen Force Transport Squadron, and was equipped with Dakota aircraft. The Squadron was designated 44 Squadron (Citizen Force) and in November 1956 relocated to Waterkloof from its previous home at Swartkop. During November 1963, 44 Squadron (Citizen Force) was moved back to Swartkop because of a lack of accommodation at Waterkloof.

During 1963 the Squadron also became a combined Citizen and Permanent Force squadron. In its capacity as a Transport Squadron, its duties included paratrooping, provisioning, carrying of VIPs, passengers and freight, as well as the supply of an ambulance service on a

CONCLUSION

Citizen Force members have played a notable role in the post-war 44 Squadron: the CF component has flown more hours in total than any other CF component of any other squadron in the SA Air Force, and from this component have emanated 3 colonels whose combined military service totals some 135 years and whose combined military flying exceeds 20 000 hours.

ROL EN FUNKSIES VAN 'N EREKOLONEL IN DIE SA LUGMAG

Die aanstelling van erekolonelle is 'n gevestigde tradisie in die SA Lugmag. Enige vooraanstaande burger van die RSA wat opreg belangstel in die paraatheid en welsyn van die SA Lugmag, en 'n spesifieke eskader in besonder, kan as erekolonel van sodanige eskader aangestel word. Die aanstelling as erekolonel is bloot titulêr van aard, en die rangbenaming "kolonel" word slegs as aanspreekvorm gebruik wanneer hy amptelik in uniform by parades of formele funksies van die betrokke eskader optree, tydens operasionele ontplooiings, of wanneer hy die eskader besoek.

'n Erekolonel is geregtig daarop om die voorgeskrewe uniform te dra by geleenthede waar hy as erekolonel saam met sy eskader optree. Diesulke geleenthede sluit in seremoniële parades, eenheidsfunksies (formele etes, noenmale, skemerkelkonthale, ens), sy besoeke aan sy eskader tydens opleiding, sport-, ouer- en ope dae, sowel as ander SALM geleenthede waarna hy uitgenooi word vanweë sy aanstelling as erekolonel. Ofskoon 'n erekolonel slegs 'n titulêre aanstelling is, moet paslike eerbetoon tydens optredes aan hom bewys word. Tydens eskaderparades kan dit gebeur dat hy deel vorm van die podiumgroep en, per geleentheid, selfs die saluut beantwoord.

Die erekolonel moet ingelig bly oor die breë aktiwiteite van die eskader, en behoort ten minste kwartaallike besoeke daar af te lê. Hy moet poog om 'n persoonlike band met die personeel van die eskader op te bou. Ten einde wedersydse vertrouwe en respek te kweek en aan te moedig, moet die erekolonel bewus wees van sy eskader se hiërargie, en ten minste die offisiere en hul eggenotes ken. Die erekolonel dien ook as skakel tussen dienende en oudeskaderlede ten einde kameraadskap, moreel, eskadertradisies, esprit de corps en eenheidstrots te bevorder. Die eggenote van die erekolonel staan haar man by in die uitvoering van sy funksies. Sy speel ook 'n belangrike rol in die aktiwiteite van die gades van die eskaderlede.

44 ESKADER GESKIEDENIS

INLEIDING

Die Eskader is oorspronklik as 43 Eskader te Pietersburg en Nigel gestig, met dubbel-motorige Oxford vliegtuie in gebruik. Die Eskader is op 8 Februarie 1944 per boot verplaas vanaf Durban na sy nuwe basishoofkwartier te Kaïro-Wes en het op 12 Maart 1944 onder die bevel van majoor O.G. Davies, DFC, daar aangekom, waarna die eskader se naam na 44 Eskader verander is. Die Eskader het sy eerste 3 Dakotas op 27 April 1944 in diens geneem.

TWEDE WÊRELDOORLOG-GESKIEDENIS

Teen Augustus 1944, onder bevel van luitenant-kolonel P.C. Ginn, het 44 Eskader amptelik met operasies begin. Die 23 vliegtuie op sterkte het met die eerste geskeduleerde vlugte na Habbaniva, die Persiese Golf, Suid-Arabië en Khartoem begin.

Roetinevlugte is ook na Ciprus, Rabat, Sala en Napels uitgebrei. Spesiale vlugte het Bari, Roma, Khartoem, Aden, Port Sudan, Asmara, Palestina, Mersa, Matruh, El Adam, Shariah, Teheran, Marseilles, Forli, Kaïro-Wes en Zara ingesluit met spesiale vlugte na die Verenigde Koninkryk op 'n toevallige basis. Voorts was 'n 44 Eskader-Dakota in Rusland gestasioneer tydens die historiese konferensies tussen Winston Churchill en Josef Stalin.

Teen die einde van Januarie 1945 is 44 Eskader na Bari, onder die bevel van luitenant-kolonel K.S. Jones, AFC, verplaas. Met Ansons en Dakotas in gebruik, het die Eskader roetine transport geskeduleerde vlugte uitgevoer en ook ondersteuning aan die "Partisan"-magte in Joego-Slawië verleen. Gedurende hierdie periode het majoor E.R. Mauritzzi, AFC, ook as eskaderbevelvoerder gedien.

Op 12 Desember 1945, onder die bevel van luitenant-kolonel A.D. McKellar, is die Eskader ontbind en na Suid-Afrika teruggestuur. Tydens die 19 maande wat 44 Eskader in die operasionele teater was, is 'n totaal van 39 423 ure en 15 minute gevlieg, wat 'n gemiddeld van 2000 ure per maand is.

HERSTIGTING VAN 44 ESKADER

Op 13 November 1953 is 44 Eskader herstig, hierdie keer as 'n Burgermagtransporteskader met Dakota-vliegtuie in diens. Die Eskader se naam is na 44 Eskader (Burgermag) verander en in November 1956 is hy vanaf LMB Swartkop na LMB Waterkloof verplaas. Tydens November 1963 is 44 Eskader (Burgermag) egter terug na Swartkop verplaas as gevolg van 'n gebrek aan akkommodasie te Waterkloof.

Ook tydens 1963 het die Eskader 'n gekombineerde Burgermag- en Staandemageskader geword. In die hoedanigheid van 'n transporteskader is dienste soos valskermtroepering, lugverrsiening,

Obchody Lotów nad Warszawa.

Obchody 49-iej rocznicy Lotów nad Warszawa odbyły się w sobotę 11 września. W piękny, wiosenny dzień, ponad 300 osób zebrało się pod Pomnikiem Katyńskim, aby oddać hołd pamięci poległych lotników pol.afrykańskich i polskich, oraz powstańców Warszawy, którym nieśli pomoc.

Nabożeństwo prowadził anglikański kapelan Dr.Jack Dalziel, poczym trebacz odegrał capstrzyk. Defilada trzech samolotów z zapalonymi światłami, lecącymi nisko nad pomnikiem, była jakby kulminacyjnym punktem uroczystości. Przedstawiciele 27 organizacji, z Ambasadorem R.P. Stanisławem Cieniuchem na czele, złożyli kolejno wieńce pod pomnikiem. Admiral P.Murray reprezentował pol.afrykańskie Siły Zbrojne, zaś inni generalowie - poszczególne ich czlony. Miasto Johannesburg reprezentował vice-Burmistrz, Radny Dr.P.Pretorius. Nasi harcerze nie tylko byli reprezentowani, ale-brali czynny udział w usadzaniu gości, przy sztandarach i w składaniu wieńców. Ich własny sztandar, z warta honorowa, widniał tuż koło sztandarów Polski i Pol.Afryki. Udział harcerzy jakby symbolizował ciągłość podtrzymywania tradycji naszych dorocznych obchodów.

Akademia i przyjęcie odbyły się tym razem w Muzeum Wojska w Saxon-wold. Udział wzięło prawie 200 osób. Ekspozycje dział, czołgów i pamiątek kilku wojen tworzyły piękne tło dla tematu naszych obchodów. Zaproszonym mówcą był p.Dirk Ackerman, znany działacz w stowarzyszeniach lotniczych i wypróbowany przyjaciel Polaków. Grono młodych Polek w strojach narodowych, pod przewodnictwem pani Magdy Liberga, robiło honory i zajmowało się gośćmi na przyjęciu w Muzeum. Jesteśmy im wdzięczni i dziękujemy!

PROSIMY O LICZNE PRZYBYCIE!

Report from Muriel Bates - Publicity

The media (with the exception of the Weekly Mail) were invited. Newspapers were advised that if they could not send a photographer I would be able to deliver photographs to them on Sunday morning. (It must be remembered by the Committee that the ceremony is too late for Sunday newspapers).

Beeld, Citizen and Star were visited on Sunday morning. Beeld had sent a photographer, but had no story in the early edition. Citizen sent a photographer, and used it on Monday. Star asked me to cover for them, and used my pic on Monday. SABC Radio News used my story on (I think) Radio Highveld - because I got paid for it.

SABC-TV were present, and used the story on both evening bulletins. Because of my direct connection with the STAR, I was able to have published both a story and pic of Jack van Eyssen before the event, and pix of two Polish girls and our Chairman after the event, in the supplement 'Looking North'. This has a circulation of +70 000.

Comment on reception

The only adverse comment I have heard was that the venue was less 'intimate' than in the past. Otherwise people I have spoken to enjoyed the food, the way that the bar was set up, and the fact that drinks were 'on the house'. (only one very elderly gentleman had difficulty in understanding that there were no spirits available!)

50th Commemoration

In view of the 'new South Africa' we cannot yet tell what policy will be followed by the TV service, but I think we should go ahead with re-hashing the film already put together by SAAF-TV. Does anyone have any coverage on video of Mr Kowalski's visit ten years ago? (which could be incorporated) - I will ask SABC-TV.

Guest speaker - From overseas - one needs a name. If we cannot get Mr Walesa, then the only SA-Polish friendly person I know is Air Vice Marshal Johnnie Johnson. However, he usually comes out here in February, and may not wish to return in September.

From South Africa - the present Ambassador to the US - Harry Schwartz.
