- 1. Tribute. A tribute was paid and a moment's silence observed in memory of the late Prof.Stefan Smoleniec, one of the oldest members of our Committee, who passed away at the end of last year. His friendship and wise counsel will be sadly missed.
2. Approval of minutes: Minutes of the meeting of 31 October 1993 were duly approved. Proposer: Muriel Bates, seconder - Peter McLain.
3. 50th Anniversary Reception. The Chairman advised that the Mayor of Johannesburg offered to host the reception on 10 September at the Civic Centre, Braamfontein, Johannesburg. A letter from the Mayor's Assistant Secretary was read out (letter dated 30 March 1994). It confirms the offer to host the reception, limits the number of invited guests to 250 persons and requests a meeting at which a list of names and addresses would be submitted by our Committee. The Chairman had since contacted Miss Burchell at the Mayor's Office and it was arranged that further contact would be made at the beginning of July in order to set up a meeting. The meeting decided that invitations should be sent not later than the 1st week in August.
4. Invitation list: It will be necessary to ensure that persons whose names will be submitted intend to attend the reception. Therefore, if possible, they should be contacted in advance. No "courtesy" invitations will be sent out. Based on previous years' experience, the following categories of participants were defined:

7. Publicity. Muriel will endeavour to compile video material and submit it to the SABC-TV.
8. Military VIP's and flypast. It is assumed that all will proceed as in previous years. It was decided to invite Military Attachés of the U.K., France and the U.S.A.
9. Guest speaker. The Chairman advised that Air Marshall Sir Phillip Lagasen had accepted to be guest speaker and was provided with suitable background material. Ron Haywood is to be requested to stand by as back-up speaker.
10. Finances. Although no invitations will have to be printed, there will inevitably be some expenses, such as acquiring the new S.A. flag, stationery, postage and sundries. We have over R675 still in the bank. Our finances will again be considered at the next meeting.

noted:
 - function on 10 September confirmed - being finger luncheon

 - Naas du Plooy's appointee will act as MoC, but will limit
his function to introducing the Mayor, leaving the rest
of the formalities to ZJP.
 - facilities to play national anthems (sound equipment)
will be provided. Also, public address system.

 - b) 'nKosi Sikelele Afrika
 - c) Polish anthem
 - Committee to supply du Plooy with a brief résumé of the
Warsaw Flights ops to assist the Mayor in his address.
 - we inquired tentatively about a programme being printed.
Cost would be between R600 - 700. The Mayor's office
cannot pay for this

- we were advised that it was difficult to foresee what form the City Council would take and who the Mayor would be by September 10. The function, however, will be held regardless, and the City will be represented by a Mayor or his Deputy.

3.1.2 In discussing above details of the Mayoral reception, the Meeting decided that we should try and produce our own programme, of which 150 copies would be photocopied and distributed to the guests at the reception.

1. Adoption of Minutes: Minutes of the meeting on 26 August 1994 were duly adopted.
2. Brief Review of the last Commemoration on 10 September 1994
 - 2.1 The general concensus was that all phases went well and that the Mayoral reception was particularly successful.
 - 2.2 Tribute was paid to our Guest Speaker, the late Air Marshal Sir Phillip Lagasen, who died some three weeks after the Commemoration. Condolences had been sent to his widow by the Chairman.
 - 2.3 Publicity - a report by Muriel Bates is enclosed.
3. Finances: Statement attached, reflecting a bank balance of R 759,63. Income consisted of a donation of R 300 by the Polish Embassy and R 10,00 interest.
4. Resignations
 - 4.1 Zyg Fudakowski officially tendered his resignation as Chairman and as Committee member, with immediate effect. In motivation, Zyg stated that his age (80 next birthday) and state of health did not permit him to carry out the duties of Committee Chairman, or to continue serving on the Committee. He reminded the meeting that already 3 years ago he had made clear his intention to retire after the 50th Anniversary commemoration, and prepared the ground for his successor in the person of Piotr Jelonek, who by now would have been fully competent to take over.
 - 4.2 Unfortunately, Piotr had handed his resignation prior to the meeting, and so did Jaga van de Put. Thus, the Committee is facing a crisis.
 - 4.3 In turn, Piotr and Jaga gave the meeting their full reasons for their individual resignations, both stating that pressure of work and growing demands of their business made it impossible for them to continue. Moreover, the month of September became a very crucial month in their Company's calendar, as commitments, demands on their time and requirements to travel at that time, had become particularly onerous.

In addition, Jaga stated that with the latest arrangements with the War Museum for the annual reception, her particular function on the Committee had become virtually redundant.

4.4 Andrzej Romanowicz expressed regret that all three key members of the Committee found it necessary to resign at the same time. The three members involved explained that it was purely circumstantial and unfortunately inevitable.

5. The future

5.1 In the discussion which followed, the question of continuation of the annual Warsaw Flights Commemoration was considered in depth. Doug Morris presented the view that we should all accept the fact that, along with many other military commemorative traditions (like e.g. the Burma Star Association), it should be accepted that the Warsaw Flights commemoration will also have to come to a natural end. Jack van Eyssen represented the opposite view, stating that every effort should be made to involve younger people and thus ensure that the tradition continues. He appealed to all Committee members to do all in their power to ensure continuity.

5.2 In general, Jack's view prevailed. Zygmunt Fudakowski expressed the view that if suitable persons could be found to fill the posts of Chairman and Secretary, there would be no great difficulty in finding younger people willing and able to perform other necessary functions involved. He reminded the meeting that from the inception, the Warsaw Flights Commemoration was a Polish initiative and its purpose has been for the Polish people to express their thanks to SAAF airmen who went to help the Poles, locked in mortal combat with the common enemy. For this reason, the Committee Chairman ought to be a Polish person and as many Polish organisations in S.A. as possible should be represented on the Committee, along with our South African and British friends.

5.3 Jack van Eyssen offered to perform the necessary secretarial and admin work hitherto done by Piotr. Logistical assistance could be sought from members and sympathisers who were in a position to offer suitable facilities.

5.4 The conclusion arising from the discussion was clear: every effort should be made to ensure that the tradition of that the tradition of the Warsaw flights continues. Specifically:

- Waldek Wojtowicz, Staszek Czuba and Andrzej Romanowicz would each consult members of their respective organisations (i.e.: Polish Association, Polish Air Force Assoc. and the Association of Polish Engineers) with a view to finding possible candidates;
- Waldek Wojtowicz would act as Acting Chairman until the next meeting, to be called as soon as possible in December (provisionally 16th). Jack offered his house as a venue. The purpose of the meeting will be to elect a chairman and constitute a new committee.

6. Suggested date of the next Commemoration:

Saturday 9th Sepyember 1995

7. General

- 7.1 Zyg, Jack abd Staszek visited the Mayor on 22 Nov. An album of photographs from the 50th Anniversary Commemoration, compiled and offered by Stan Mathews, was presented to the Mayor. Stan Mathews also attended.
- 7.2 The Chairman advised the meeting that the previous day, 24 November, the Polish Embassy hosted several members of the SAAF Association who had recently taken part in ceremonies in Poland, commemorating the 50th anniversary of the Warsaw Rising and of the Warsaw Airlift. All participants present expressed their enthusiasm at the reception they had received in Poland. Also on that occasion, the Polish Ambassador, Stanislaw Cieniuch, invested Zyg Fudakowski with the "Cross of the Armed Action of the Polish Forces in the West" with bar, stating that this was partly in recognition of his work in organising the Warsaw Flights Commemoration in Johannesburg over many years. In reporting this to the meeting, Zyg Fudakowski stated that he felt that all Committee members participate in this honour, and thanked them for the stirling effort and support they so readily gave over a long time.
- 7.3 In turn, the meeting expressed their appreciation to the Chairman.

This concluded the meeting.

15 November 1994

Dear Zygmunt

Please accept my apology for not attending this afternoon's meeting. Unfortunately, my fiancé, who is a minister, has to leave today for Newcastle to conduct a close relative's funeral, so I must be back to put away the sheep, etc.

My report for the Committee :

1. I sent a preliminary press release and invitation to all the local media (including relevant radio and TV programmes). These were followed up by telephone calls to every news editor. I subsequently (at the request of Star, Beeld and Citizen) delivered a follow-up story and photographs (which I had had processed on Saturday) before midday on Sunday. Both preliminary and post-stories were also sent to SAPA, with a request to distribute nationally.
2. Results known:
Citizen published a story on Saturday; Ad Astra published; Star published only the SAPA story
Meanwhile, I had achieved a full page in both STAR East and North on the previous Wednesday.
3. Results unknown:
SABC-TV coverage, as I do not have a TV.
Rosebank/Killarney Gazettee, who made a special effort
M-Net - to whom I gave a thorough briefing, and whose contractor Clive Morris sent a full team to both ceremony and reception (He has not returned my subsequent telephone calls)
Radio News. Although I had been contacted by Keith Campbell and Henryk Maertens beforehand, there was no radio reporter.
Any National newspapers (other centres)
4. Conclusion:
This was unbelievably disappointing. I gained the impression from several contacts that they thought the 50th Anniversary had culminated in the visit to Poland and the ceremonies there. Also, I think there has been a surfeit of stories (D-Day, Arnhem, for example) and the news people (few of whom were even alive at the time) are concentrating on the 'New South Africa'. With respect, the Committee must bear in mind that an event which is so important to the Polish community and the South African Air Force is not so relevant today.

ACTION

- 1. The Acting Chairman appointed at the meeting on 25 November 1994, Waldek Wojtowicz, read the Minutes of that meeting. Muriel Bates asked that the following should be added to her report on publicity :

Clive Morris of M-Bet had subsequently reported that he had been in Poland to film a documentary on President Walesa, and that the footage shot during the 50th Anniversary had been held over for possible use next year. The SAAFA (Jhb) newsletter carried a full account of the ceremony and a tribute to Sir Philip Lagesen; the National newsletter only the tribute.

AR
JOE
DM

Jack van Eyssen pointed out that the interest rate indicated in the latest financial report was extremely low, and suggested that consideration be given to changing the financial institution.

Acceptance of the Minutes was then proposed by Jack, and seconded by Doug Morris.

- 2. The Acting Chairman reported that the Committee of the Polish Association had suggested that its Chairman (himself) also act as Chairman of this Committee, if existing Committee members were agreeable. He reported also that the Association's branches in Vanderbijl Park and Pretoria were in favour of the continuation of the annual Commemoration, and agreed that the Committee Chairman should be from Johannesburg.

Andrzej Romanowicz reported that the Association of Polish Engineers also wished the Commemoration to continue.

Staszek Czuba reported that the Polish Air Force Association also wished the Commemoration to continue, and had authorised him to propose Andrzej Romanowicz as Chairman.

Staszek then proposed Andrzej's nomination - seconded by Jack.

Waldek's nomination was seconded by Peter McClean.

On a show of hands, Andrzej was elected.

- 3. Andrzej then took the Chair, thanked Waldek for his acting in the interim period, and formally welcomed Jurek Sadowski (Chairman, Pretoria Polish Association) as a member of the Committee. Muriel was asked to act as Minutes Secretary.

Discussion ensued on other, younger people to be co-opted as potential successors to present Committee members. It was noted that Marek Ranoszjek and Magda Liberda had already volunteered; Staszek suggested Zbigniew Dziembowski (Jurek to contact); Muriel suggested Dave Dwyer (ex 31 Sqdn) -

Jack to contact, and check that he was a member of SAAFA.

JS
JvE

- 3.(contd.) It was also agreed that Ron Haywood be asked to continue his liaison with the Chief of the Air Force, and that all these people receive copies of Minutes, while not expected to attend all meetings. JvE
4. Andrzej reported that he had just come from a meeting with Ambassador Cieniuch, who was most supportive of the continuation of the Commemoration.
5. Zyg handed the files for 1993 and 1994 to Jack, and gave the Chairman and Jack copies of his Action Chart. Jurek offered secretarial assistance; Andrzej has a fax and photocopy machine; Muriel also has a fax, and a photocopier.
Zyg reported that Piotr Jelonek had all addresses on computer disc - the Chairman would arrange to get this from him. AR
6. Noted : Staszek had the large 'backdrop' painting of a Liberator; Peter had the Scroll of Honour and the flagposts; other material was in the offices of Comhan Trading - Jaga van der Put and Piotr to be approached in order that storage might be arranged elsewhere. AR
In this connection, Zyg suggested that if the next reception was held at the War Museum, decor could be kept to the minimum (perhaps the flags and some symbolic parachutes).
Agreed.
7. Venue for reception on September 9, 1995. Doug Morris undertook to speak to Capt. Tony Speer at the War Museum. DM
8. Catering Doug agreed to be responsible for the bar, and to contact Ros Fox with regard to catering, as she had done so in 1993 to everyone's satisfaction. DM
9. Printing of invitations Andrzej will speak to the printers who have been handling the invitations for several years - the blocks may be with Piotr. AR
10. Chaplain Zyg advised that 1995 would be a Protestant year. Jack suggested Rev. Bryan Jones - alternatively Rev. Hulley. Muriel suggested Rev. Stanley Pitts, who had been a chaplain at Foggia; Doug mentioned Rev. Bill Marshall. Agreed that Jack should first contact Rev. Jones. JvE
11. Guest Speaker Jack suggested Ron Haywood; Peter suggested Ronnie Kasrils (Deputy Minister of Defence); Doug suggested ex-Ambassador Harry Schwarz. Agreed that Jack ask Ron Haywood to approach Ronnie Kasrils. If he was not available then Harry Schwarz should be invited, with Ron Haywood as 'back-up' speaker. JvE RH
12. Mayor of Johannesburg Jack will send the formal preliminary invitation to the Mayor's Office in January. Noted - our contact there is Miss Zelda Burchell - tel : 403-4115. JvE
13. Finance Following the meeting, in an informal discussion, it was decided that in order to conform with banking practice, the new signatories would be the Chairman (Andrzej Romanowicz), the Secretary (J L van Eyssen) and as alternate, D Morris
14. General The Chairman reported that the memorial in Warsaw to S A airmen was expected to be completed early in 1995.

14.(contd.) The Chairman of the Organising Committee, Mr. Gradowski, might accompany President Walesa on his official visit to South Africa towards the end of February 1995, and it was possible that the President might wish to lay a wreath at the Katyn Memorial. This Committee may become involved in any proposed function in this connection.

Jack reported that a special plaque was being prepared as a gift from the Chief of the Airforce to the Polish Air Force general who had ensured the success of the South African delegation's visit to Warsaw in August.

15. Next meeting This will be advised as soon as a suitable venue has been established. Doug will approach the War Museum; Waldek the Bryanston Church; Peter the Transvaal Irish. DM

In this connection, Muriel asked that meetings be held on a weekday (late afternoon/evening). The Committee was agreeable, with the proviso from Peter and Jurek that 18h00 was the earliest time they could get there.

From Muriel Bates
To All Warsaw Flights Committee members

I have heard that some committee members have not received the Minutes which I posted during the week before Christmas. This could be due to the Christmas rush - alternatively the fact that my local (Eikenhof) post office has been closed and we now have a 'toy box' - I'm not sure how effective the sorting and clearance facility is there! In future I will post at an operational post office.
If you have received the original copy, please chuck this away.

Regards

Dear Andrzej

1

I don't have addresses for the four possible members of the Committee, so will send copies to them later.

2

Please note the way I phrased "Finance" — item 13. Banks always ask for copies of Minutes authorising changes of signatories.

Cheers!

15 November 1994

Dear Zygmunt

Please accept my apology for not attending this afternoon's meeting. Unfortunately, on my hand, who is a minister, has to leave today for Newcastle to conduct a close relative's funeral, so I must be back to put away the sheep, etc.

My report for the Committee :

1. I sent a preliminary press release and invitation to all the local media (including relevant radio and TV programmes). These were followed up by telephone calls to every news editor. I subsequently (at the request of Star, Beeld and Citizen) delivered a follow-up story and photographs (which I had had processed on Saturday) before midday on Sunday. Both preliminary and post-stories were also sent to SAPA, with a request to distribute nationally.
2. Results known:
 Citizen published a story on Saturday; AD Astra published; Star published only the SAPA story
 Meanwhile, I had achieved a full page in both STAR East and North on the previous Wednesday.
3. Results unknown:
 SABC-TV coverage, as I do not have a TV.
 Rosebank/Killarney Gazette, who made a special effort
 M-Net - to whom I gave a thorough briefing, and whose contractor Clive Morris sent a full team to both ceremony and reception (He has not returned my subsequent telephone calls)
 Radio News. Although I had been contacted by Keith Campbell and Henryk Maertens beforehand, there was no radio reporter.
 Any National newspapers (other centres)
4. Conclusion:
 This was unbelievably disappointing. I gained the impression from several contacts that they thought the 50th Anniversary had culminated in the visit to Poland and the ceremonies there. Also, I think there has been a surfeit of stories (D-Day, Irwin, for example) and the news people (few of whom were even alive at the time) are concentrating on the 'New South Africa'. With respect, the Committee must bear in mind that an event which is so important to the Polish community and the South African Air Force is not so relevant today.

Dear Mr Mayor,

50TH ANNIVERSARY OF FLIGHTS OVER WARSAW - 10TH SEPTEMBER 1994.

It is with great pleasure that we advise you that the date for this year's Commemoration, marking the 50th anniversary of the heroic flights over Warsaw by squadrons of the South African Air Force in 1944 - has been set for Saturday 10th September 1994. As usual, an open-air service is planned at 1100 Hrs at the Katyn Memorial, James and Ethel Gray Park, Melrose Estate, Johannesburg.

Regarding the reception which is to follow, I would like to mention a reference made by the Deputy Mayor, Councillor P Pretorius, at the last commemoration on September 11th 1993, to a possibility of a civic function hosted by the City of Johannesburg. The last such function took place at the commemoration of the 40th anniversary of Warsaw Flights in September 1984. Should you decide to give a civic reception, then a great deal of detailed planning would be required and the sooner we start - the better.

I would be grateful to you, Sir, for giving me an indication as to whether a civic reception on that solemn occasion is indeed on the cards. Should this be so - I would be at your disposal for a meeting with yourself or a person designated by you, so that the broad details involved could be discussed.

With deep respect and best personal wishes, I am, Sir,

Yours sincerely

Further to my letter dated 2 March 1994, I wish to advise that at a recent meeting of the Management Committee, your request for civic entertainment on the occasion of the wreath-laying ceremony of the Warsaw Flights Commemoration, was approved. I must however, draw your kind attention to the following:

- (a) The Maximum number of guests to be invited is 250.
- (b) I shall be grateful if you will contact me by telephone as soon as possible, in order to arrange a mutually convenient date and time to get together to discuss details regarding the civic function.
- (c) Please submit a complete address list (including postal codes) at our meeting so that invitations can be dispatched timeously.
- (d) For security reasons as well as for the purposes of introduction, it is of vital importance for the guests to produce their official invitation on request. Non-compliance with this arrangement could cause embarrassment as the security officers cannot, for obvious reasons, allow unidentified guests into the Mayoral and Civic suites.

Dear Mr. Fudakowski,

Warmest greetings from far-away Chicago. We are well and enjoying our time with our children. We arrived in 3ft. of snow which was a novelty for South Africans, but Spring is now here and the weather is beautiful.

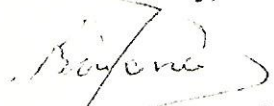

Thank you for giving me the honour of taking part in the Religious Service on 10 September 1994. I understand your next planning meeting takes place sometime in May and as we are not due to return before July, I am writing to outline the order of service agreed with Monsignor Jaworski when I visited him shortly before leaving South Africa in February. He had arranged for the Bishop of Johannesburg and Father Mark to each take a short part, Jan would lead and I would give the sermon. As this will be a special occasion, being the 50th Anniversary, we will not dwell on the oft-repeated logistical and military aspects of the relief flights, but rather the theme of the service will be "Thanksgiving" - thanksgiving to God for his blessing on Poland and South Africa in difficult times - for the changes which have recently taken place in both countries. We will express our confidence in the future, and will of course remember and honour our fallen Air-force and Polish comrades. I certainly will take this unique opportunity of paying tribute to the South African Polish community and others who have played a vital role, including the heroes of Warsaw at the time of the uprising. We shall not mention individual SAAF names as this only leads to hurt for those omitted. Incidentally, I do hope those handful of survivors of the original low-level raids will attend this 50th Anniversary.

I wrote to Jan Jaworski during March outlining an order of service and will write again in the near future suggesting Scripture readings as well as what each of us should say. We had planned for 20 minutes but on second thoughts we should ask for 25 minutes and have the Last Post and the Fly-past at 11h25. Previously I had not allowed time for your customary brief welcome in which I suggest you mention that this 50th Anniversary service is being led by an ecumenical team including His Grace Bishop of Johannesburg,

Please share the contents of this letter with Jan Jaworski and please give him and Jack Van Eysen my kindest regards. You probably know that Chicago has a very large Polish population, many of whom hold prominent positions in the community.

With best wishes and regards to Mrs. Fudakowski and yourself.

Yours sincerely,

Bryan Jones

Drogi Zyguncie,

W protokole z zebrania Komitetu z dnia 8 maja br. jest uwaga, że "Mons. Jaworski in charge". Nie rozumiem dlaczego kapelan Polonii nie jest "in charge?" Zdawało mi się, że po ostatnich nieporozumieniach sprawa ta została wyjaśniona i więcej do niej nie będziemy wracali. Ks. Jaworski nie jest kapłanem Polonii i uważam, że należałoby mieć to na względzie przy organizowaniu strony religijnej uroczystości. Byłbym wdzięczny za wyjaśnienie.

Drogi Wałdku

Potwierdzam uprzejmie odbiór Twego listu z 30 maja b.r.

Rola ks.Pralata Jaworskiego w uroczystościach Lotów nad Warszawa jest uświęcona ponad 30-letnia tradycja i wypływa z woli i wyboru Komitetu Organizacyjnego. Natomiast ks.Pralat już dokooptował ks.Marka Cieśle, uzgodnił z nim przebieg nabożeństwa i uzyskał jego pełną współpracę. Jak wiesz, będzie to nabożeństwo ekumeniczne, z udziałem b.lotnika 31 Dywizjonu SAAF, Rev.B.D.Jones. Tak jak Ci pisałem przed dwu laty - zostawmy to naszym księżom. Oni pierwsi dali przykład zgody i porozumienia.

W tej właśnie dziedzinie zanotować można godny pochwały postęp, czego dowodem jest prezent ofiarowany ks.Pralatowi przez Zjednoczenie Polskie w Johannesburgu w rocznicę 45-lecia kapłaństwa w dniu 20 marca b.r., wraz z gratulacyjnym listem Zarządu.

Skoro już mowa o uprawnieniach ks.Pralata Jaworskiego, to może zechcesz rozważyć następujące fakty:

Ks.Pralat Jaworski został mianowany Rektorem Polskiej Misji Katolickiej w RPA w roku 1961 przez J.E. Biskupa Gawline, ówczesnego Biskupa Polowego dla Wychodźstwa Polskiego. Nominacja ta nigdy nie została odwołana. Przeciwnie, do dziś dnia zarówno Prymas R.P. jak i Rada Episkopatu Polskiego w korespondencji zwraca się do niego jako do Rektora Polskiej Misji Katolickiej w RPA.

Przyznasz chyba, że jest to wystarczający autorytet.

Mam głęboką nadzieję, że więcej na ten temat nie będziemy mieli potrzeby korespondować. Sieganie do smutnej i przykrew epoki intryg i podziału przynieść może tylko dalsze rozbitcie społeczeństwa. Zostawmy już te epoki za nami.

Lacze uścisk dłoni i serdeczne pozdrowienia

Drogi Zygmuncie,

W odpowiedzi na Twój list z dnia 2 czerwca br., muszę zabrać jeszcze raz głos w tej sprawie:

- 1 O ile się orientuję, Polska Misja Katolicka od dawna nie istnieje.
- 2 Ks. Jaworski został pozbawiony godności Kapelana Polonii przez Konferencję Biskupów. Kopię listu od Southern African Catholic Bishops' Conference załączam.
- 3 Komisja Watykańska badała różne oskarżenia przeciw niemu.
- 4 Prezent i list z gratulacjami wysłane przez Zarząd Zjednoczenia z okazji rocznicy jego kapłaństwa nie znaczył, że uznajemy go jako Kapelana Polonii, o czym ks. Jaworski nie chce chyba pamiętać używając tego tytułu na piśmie. Nawiasem mówiąc, jego podziękowania doszły do innych organizacji (kopię załączam), z wyjątkiem Zjednoczenia Polskiego w Johannesburgu.
- 5 Ks. Jaworski nie uzgodnił niczego z ks. Markiem, z wyjątkiem zapytania czy będzie na uroczystości. Przy czym ks. Marek prowadzi szkołę polską liczącą powyżej 80 dzieci, czego ks. Jaworski nigdy nie doceniał, usuwając w końcu szkołę z kaplicy w Norwood. Ks. Marek cieszy się olbrzymim autorytetem wśród większości Polaków, uczęszczających do kościoła w Bryanston i on powinien być wzięty pod uwagę przy wszelkich uroczystościach polonijnych, a nie człowiek na którym ciąży stygmat petycji do biskupa o usunięcie z pozycji kapelana Polonii, podpisanej przez blisko 300 osób.
- 6 W związku z powyższym jego autorytet, jak piszesz, jest raczej wątpliwy i moim zdaniem nie należałoby go eksponować, bo nie przynosi nam to żadnego zaszczytu.

Wielce Szanowny Panie Prezesie,

Serdecznie dziękuję za łaskawy list upamiętniający moje 45-lecie służby kapłańskiej. Z tego 33 lata było w Południowej Afryce. Przez prawie 30 lat spełniałem funkcje kapłańskie również w Natalu, wszędzie tam gdzie tego za-chodziła potrzeba.

Stowarzyszenie Polskie w Natalu istnieje wiele lat po to, aby służyć Polakom, bo taki jest jego cel. Zmieniali się członkowie, zmieniały się zarządy ale ogólna idea służenia Polakom w każdym zarządzie była taka sama i musi być nią nadal.

Otrzymane przeze mnie HONOROWE CZŁONKOSTWO STOWARZYSZENIA, jest wyróżnieniem, które w sposób widoczny upamiętnia naszą pozytywną współpracę przez wiele lat. Za to wyróżnienie obecnie mam możliwość serdecznie podziękować. Bóg zapłać.

W dalszym ciągu życzę Stowarzyszeniu owocnej pracy dla dobra tych, którzy tego potrzebują. Przez pozytywny nasz wkład dla Polskiej Wspólnoty służymy jednocześnie dobru całej ludzkości.

Jako mały prezent przesyłam Państwu moją najnowszą pracę o świątobliwej Wandzie Malczewskiej.

Dla Zarządu i całej Wspólnoty Polskiej w Natalu ślę najlepsze życzenia wzajemnej współpracy.

Od października 1991 roku mimo kilku prób nie udało się wznowić pracy naszego związku. Nie udało się też przekazać jego działalności na teren Transwalu, gdzie w 1993 roku zawiązała się grupa inicjatywna z pierwszą próbą działalności. Mam na myśli wieczór muzyczny dla lekarzy polskich zorganizowany na terenie Polskiej Ambasady w Pretorii 5 maja 1993r., gdzie osobiście wręczałam uczestnikom ostatni komunikat Związku wraz ze sprawozdaniem finansowym. Ciągłe na koncie Związku pozostaje suma 1034 randów uszczuplana co miesiąc o 20 randów na opłaty bankowe. Próba przekazania pieniędzy na budowę Domu Lekarza w Polsce za pośrednictwem Naczelnej Rady Lekarzy i Ośrodka Współpracy z Polonią Medyczną nie powiodła się. Moją ostatnią propozycją jest przekazanie pieniędzy na potrzeby Domu dla Nieuleczalnie Chorych (Highway Hospice P.O. Box 28 Westville 3630).

Przyjmę chętnie wszelkie inne propozycje a sprawozdanie finansowe mogę przesłać osobom zainteresowanym.

Dear Sir,

50TH ANNIVERSARY OF FLIGHTS OVER WARSAW

On Saturday 10th September 1994 we will commemorate the 50th Anniversary of the heroic flights over Warsaw by South African and Allied airmen to drop supplies to the Polish Home Army and civilian population of Warsaw, at that time locked in a mortal struggle for freedom.

In the past, Defence/Military Attachés of Great Britain, France and the United States attended this annual function but for political reasons, this had been discontinued. Today, all former Allied Powers again have military representation in this country. We therefore have pleasure in extending to you, Sir, our sincere invitation to attend the Commemoration and to lay a wreath at the Katyn Memorial, which is the annual venue of this function.

Details of the ceremony are as follows:

- 11:00 Hrs - Service at the Katyn Memorial, James and Ethel Gray Park, Melrose Estate, Johannesburg (map enclosed)

Dear Sir,

50TH ANNIVERSARY OF FLIGHTS OVER WARSAW

On Saturday 10th September 1994 we will commemorate the 50th Anniversary of the heroic flights over Warsaw by South African and Allied airmen to drop supplies to the Polish Home Army and civilian population of Warsaw, at that time locked in a mortal struggle for freedom.

In the past, Defence/Military Attachés of Great Britain, France and the United States attended this annual function but for political reasons, this had been discontinued.

Today, all former Allied Powers again have military representation in this country. We therefore have pleasure in extending to you, Sir, our sincere invitation to attend the Commemoration and to lay a wreath at the Katyn Memorial, which is the annual venue of this function.

Details of the ceremony are as follows:

11:00 Hrs - Service at the Katyn Memorial, James and Ethel Gray Park, Melrose Estate, Johannesburg (map enclosed)

12:30 Hrs - Civic reception by the Mayor of Johannesburg at the Civic Centre, Braamfontein.

An invitation by the Mayor's office will be sent out according to a list of those able to attend, supplied by our Committee.

For this reason, we would appreciate your early reply whether you and your wife will attend the reception and whether you intend to lay a wreath.

Wielebny i Drogi Księżu Kapelanie,

50-ta ROCZNICA LOTOW NAD WARSZAWA - 10.IX.1994

W imieniu Komitetu Organizacyjnego Lotów nad Warszawa, mam zaszczyt prosić Księdza Kapelana o wzięcie udziału w uroczystościach planowanych na ten dzień, t.j. na sobotę 10-go września 1994 r. Jak Księdzu wiadomo, nabożeństwo w tym roku będzie miało charakter ekumeniczny. Weźmie w nim udział protestancki pastor, który jako lotnik był uczestnikiem Lotów nad Warszawa. O ile mi wiadomo, ks. Pralat Jaworski jest z Księdzem Kapelanem w kontakcie odnośnie szczegółów nabożeństwa.

Pod Pomnikiem Katyńskim należy być o godz. 1045. Nabożeństwo rozpocznie się o 1100, poczym odbędzie się składanie wieńców. Przyjęcie będzie w salach Rady miejskiej w Braamfontein, a zaproszenia będą wysyłane przez biuro Burmistrza według listy która mamy mu przedłożyć. Listy te musimy mieć gotowe w początku lipca. Gdyby z jakichkolwiek powodów Ksiądz nie był w możliwości przyjść na przyjęcie - prosza łaskawie zawiadomić albo Sekretariat (telefon w nagłówku), albo mnie osobiście pod numerem 884-3101.

VERTE:

x Piotr Jelonk

Bardzo bym prosił Ksiedza Kapelana o przydzielenie nam harcerzy do pomocy pod Pomnikiem Katyńskim (wieńce, usadzanie gości, parking, sztandary itp). W latach ubiegłych oddali nam oni wielkie usługi. Powinni oni stawić się pod Pomnikiem najpóźniej o godz. 0930. W okresie który nas dzieli od tej uroczystości, pozwolę sobie Ksiedza Kapelana skontaktować jeszcze, by omówić szczegóły w miarę potrzeby. Łacze wyrazy głębokiego szacunku i poważania, oraz serdeczne pozdrowienia,

Dear Mr Fudakowski,

1. I was delighted to be asked to attend the 50th Anniversary of Flights over Warsaw on 10 September; very many thanks for the invitation. Regrettably my wife and I will be in England on that day, thus making it impossible for us to accept.
2. If it was acceptable to you, I could ask a British Officer from the British Military Advisory Training Team to deputize for me. Perhaps you could let me know? I very much regret being unable to attend myself, and wish you and your associates a successful commemoration of this heroic occasion.

Yours sincerely,

Dear Sir,

Fiftieth Anniversary of The Warsaw Air Lift

I thank you for your letter received on 20 June 1994 advising me of the Anniversary of the Warsaw Air Lift on 10 September 1994 and the service and wreath laying at the Katyn Memorial, Melrose Estate at 10h45 for 11h00, which I will attend.

In the interim period I shall be taking part in an anniversary tour of the D-Day Landings in France, 50 years ago, which is being organised by the Johannesburg Historical Foundation. I shall be back in JHB on Saturday 3 September 1994 and would be very pleased to attend the reception hosted by the Mayor of Johannesburg, if invited on the 10th September 1994.

If I receive a Mayors invitation, kindly remember this letter in case it arrives in my absence overseas as I have attended the Warsaw Memorial Services for the last ten years.

Yours sincerely,

MEMORIAL SERVICE**

The annual memorial service for those members of the South Air Force who lost their lives during the Warsaw Uprising, will take place on 10th September 1994, at Katyn Memorial.

As in the past, it would be appreciated if the South African Air Force could provide a fly past, guards for the memorial service as well as a Trumpeter and a Serviceman to raise and lower the flag.

Naturally, you will be receiving an invitation for yourself and your wife to attend the memorial service as well as a mayoral reception which will follow to celebrate this special occasion.

It would be greatly appreciated if the normal positive response could be made to this request.

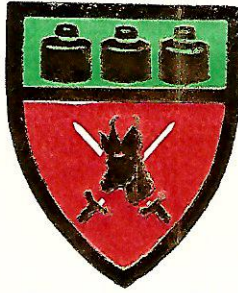

Many thanks.

Dear Mr Fudakowski

Thank you for your letter to the Editor-in-Chief of TNP dated 1 June 1994.

As you may be aware, Television News and other programmes have over the years given coverage to anniversaries of the Warsaw Airlift. The footage used included archive material, and scenes filmed both in Poland and locally. I agree with you that because 1994 marks the 50th anniversary, more extensive coverage than a short news clip may be appropriate.

When Mr Jan Kopec originally put his proposal to TNP, he was informed that the coming events in Poland could be covered by TNP staff based in London. The London staff comprise both Reporters/Producers and Cameramen, who are fully qualified to handle an assignment of this nature.

To sum up, TNP will consider favourably coverage of the 50th Anniversary of the Warsaw Airlift. This will be done on the basis of newsworthiness, interest value, and cost-effectiveness.

Yours sincerely,

RW Stevenson

I have attended every memorial service since the end of World War II concerning the Flights Over Warsaw. We were originally served with tea & snacks. Eventually it became a paid-for affair, attended mainly by Polish Officers, most of whom had nothing to do with the Flights.

My late brother, Michiel, paid the ultimate price by sacrificing his life for the future of Poland, yet only because I am 77 years of age, am I permitted one extra name on my invitation according to the Flights Over Warsaw Committee.

i.e. my daughter Michelle who is named after my late brother, Michiel.

My son Walter was 6 years old in 1944 when my brother left.

for Italy, (never to return) to participate in the Flights Over Warsaw. My son therefore knew my brother well & felt the loss with me.

I asked the authorities for a 7 invitation i.e. myself, my daughter Mrs Michelle Orwin, her husband Derek Orwin & Debbie their daughter.

My son Walter George Barnes, his wife Colleen & daughter Claire.

I would dearly love to have at least my son's name, added to the invitation, if you find it impossible to include the rest of my family, who are affected by the loss of my brother.

Thanking you,
E. Barnes.

Dear Ron,

It was most kind of you to write to me on the 1st August 1994 congratulating me on my appointment as Honorary Colonel of 35 Squadron.

~~I regard this appointment as a great honour and it has also given me a wonderful sense of pride being a member of the South African Airforce.~~

I was particularly interested to note that there are now 3 Jeppe old boys amongst the ranks of the SAAF Colonels and I am delighted to have been involved in beating the number of K.E.S. appointments.

I have diarised the dinner date scheduled for the 29th October 1994 at the Rand Club. Adele and I very much look forward to being with you.

Once again, my grateful thanks for your kind words.

~~With warmest regards.~~

OFFICE OF THE MAYOR JOHANNESBURG DATE RECD. 18 AUG 1994 Ref. No. ... 9.12.12... Date Ack. ... Referred to ...

15th August, 1994.

His Worship The Mayor,

Dear Sir,

Your Invitation to the Civic Finger Lunchedon being held on Saturday, 10th September, 1994 received today, for which many thanks. I duly phoned Naomi. Will attend. My two school mates at King Edward VII School, Jimmy and Gock Lithgow, were pilots in the S.A.A.F. Mission over Warsaw. Jimmy sat next to me in class. Both lost their lives heroically, as also did another classmate, Dennis Waugh, also a pilot.

The following request is
discreetly made:
As we are now back in
the Commonwealth, I feel it
is highly relevant and per-
tinent that the Union Flag,
in addition to the new one
should fly side by side
at the Armistice Service
on the 13th November - being Re-
membrance Day. Our medals
bear the effigy of our late
King. I ask that with the
new Anthem, Die Stem and
God Save the Queen be
played also as part of our
history. Politics are not in-
volved - it is Memorial.
Please give well-considered
consideration to the above,
by an old soldier and airman
now 75, still a bodybuilder and
an athlete. Sincerely Norman Payne

Dear Mr Jelonek,

Thanks for your fax dated 1.9.94 which probably got lost in the various companies of the group as I only got it to-day.

Please note my new fax number Mauritius 697-0025.

While I would like to help you in finding the artwork you are refering to, you will no doubt appreciate that it is impossible for me to do more than what I have done so far.

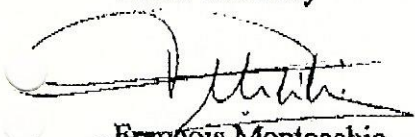

In my organisation there was one file for each customer for the purpose of keeping their artwork. When I sold the business to Mr Mouton, all the files were handed over to him in order to ensure a smooth continuation of the business to our mutual benefit.

If the artwork you are looking for is not in your file it is either lost or it was given back to you, or it may have been misplaced in another envelope/file.

I regret to advise that I cannot do more than that and advise that the artwork/logo you are looking for has no commercial value and apart from what I said above I can only suggest that Mr Mouton looks in each and every file of other customers to find out whether it has been misplaced.

Regards.

Yours faithfully

François Montocchio

WARSAW AIR LIFT - HISTORICAL BACKGROUND

August and September 1944 have poignant memories for Poles and South African airmen.

By August 1, 1944, the Russians had advanced to within a few miles east of Warsaw. General 'Bor' Komorowski and other leaders of the Polish underground resistance (the 'Home Army') judged the time right for rebellion against the Nazi occupying forces.

Stalin thought otherwise, for he had his own plans for post-War Poland. He halted his troops 15 miles east of the Vistula River, despite previous promises of support within 48 hours when the Home Army decided to go into action.

In desperation, the Home Army appealed to Britain and America for much-needed arms, ammunition, and medical supplies. These could only be delivered by air-drops. Again Stalin said 'Nyet': this time to the suggestion that aircraft might land in Russian-held territory to re-fuel.

The only aircraft with the range to tackle the double journey without refuelling were the Liberators of SAAF 2 Wing - 31 and 34 Squadrons - based at Foggia in Southern Italy, and Halifaxes, flown by the RAF, whose 148 and 178 Squadrons, as well as Polish Flight No. 1586, also took part.

The proposed supply-drops meant a journey of 1 600 km out over heavily defended occupied territory; roof-top height approach to the dropping zones in Warsaw, at lowest possible air-speed, through heavy anti-aircraft fire and the smoke and flames of the burning city; and another 1 600 km back to base - if they were lucky.

Out of 186 sorties, 92 were considered successful. That is, the Home Army were able to retrieve some of the 'material' dropped. Thirtyone aircraft were lost - 17 on the four terrible nights of August 13-16.

The Poles have long memories for their friends. To this day, flowers are laid on the graves of the airmen who did not 'make it'; a special memorial has been placed in St Anne's Church, Warsaw; and another at Michalin where a Liberator crashed after the supply drop. with the loss of three crew members.

GUEST SPEAKER

AIR MARSHAL SIR PHILLIP LAGESEN, KCB, CB, DFC, AFC.

Born in Johannesburg, South Africa. Joined the South African Air Force during the '39-45' war, and then signed on as a regular officer. Appointments held included a 'V' Bomber Squadron Commander, Station Commander in Singapore, Head of Personnel in Strike Command, Director of Nuclear Strike Operations in the Ministry of Defence, Senior Air Staff Officer of Strike Command, Deputy Commander in Chief RAF Germany, Head of the RAF Bomber Reconnaissance and Nuclear Strike Forces and, finally, the Air Officer Commanding the U.K. Maritime Air Forces. OFFICE OF THE MAYOR — JOHANNESBURG

PROTOCOL AND ARRANGEMENTS : ATTENDANCE OF MAYORAL PERSONAGES

1. **TIME:** The Mayoral car will arrive at the venue exactly on time.
2. **ARRIVAL AND DEPARTURE:** The reception party or person should always meet the Mayor at the car and should be on the pavement or at the entrance to the building as the Mayoral car arrives, and should step forward **when the chauffeur opens the door of the car** and introduce himself, to be followed by the others, if any.

In the event of the State President, a Cabinet Minister or senior personage also being present, the Mayor and Mayoress should be scheduled to arrive five minutes beforehand.

After the customary greetings as indicated above, the Mayor would wait with the reception party and be the first to greet the State President, Cabinet Minister or senior personage.

Once the Mayor has introduced the host, the latter would take over the introductions of the remainder of those present, if any.

At the conclusion of the function the chauffeur should be informed of the imminent departure of the Mayor and Mayoress, they should then be accompanied by an appropriate person to their car, who will then wait until the car has driven away.
3. **FORM OF ADDRESS:** The correct form of address is, **Mr Mayor and Madam Mayoress.** When referring to them in the course of a speech, it is **His Worship the Mayor and the Mayoress.** **The correct form of address for their deputies is, Mr Deputy Mayor and Madam Deputy Mayoress.**
4. **SPEECHES:** If required at all, the Mayor's role is frequently to give a short word of welcome or congratulations or officially open a function. Maximum time three minutes.
5. **DRESS:** It is important to be quite specific on dress requirements for the Mayor and Mayoress.

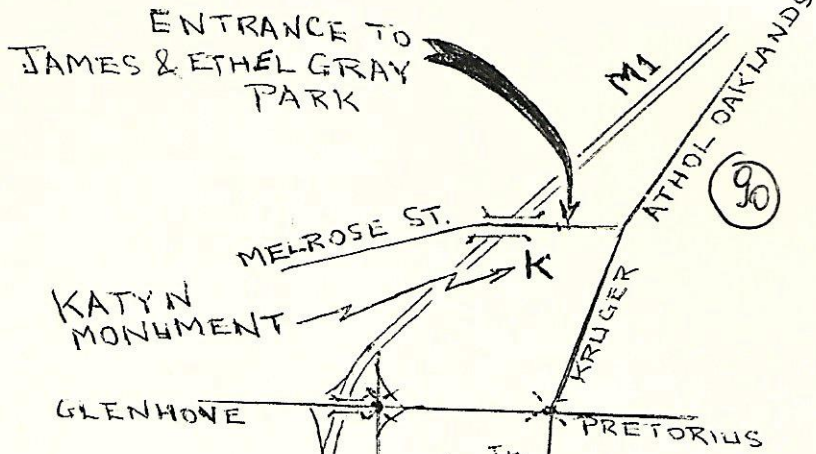

Changes of clothes often become necessary for the Mayoral couple after previous functions and these necessitate a suitable time interval.

It may also happen that at evening functions the Mayor would be present with blazer despite a request for informality.
6. **SEATING ARRANGEMENTS:** The Mayor is always on the immediate right of the host if he is the senior guest present. Where feasible, the Mayoress is on the left of the hostess. They can be seated together if required. The Mayor/Deputy Mayor will at all times be accompanied by a security officer. See also point 10 on next page.

Guests are presented to the Mayor and Mayoress, not vice versa.

In the event of the State President, a Cabinet Minister or Administrator also being present, the main table seating arrangements may be discussed with the Mayor's Secretary.
7. **MAYORAL PROGRAMME** Any extensive tours or lengthy periods of standing which may be required of the Mayoral couple should be discussed with the Mayor's Secretary beforehand.
8. **ATTENDANCE FORM:** Please complete that attached form legibly or type-written in triplicate and forward two copies to the Mayor's Secretary as soon as possible, retaining the third copy for your records.
9. **PRESENTATIONS:** The attention of the Organisation is drawn to the suggestion that, particularly where this applies to a charity, no kind of gift or memento should be presented to mark the occasion which the charity involved can well put to its own funds.

Dear François,

I understand that you sold your franchise at Jetline and returned to Mauritius.

You may remember having printed some 350 invitations for the Warsaw Flights Committee in June 1993 and that you offered to keep the artwork and positives in your file.

I now urgently require this artwork, but the new owners insist they cannot find it - all they have given me are photocopies, which I enclose.

I would appreciate that you contact me urgently to advise exactly where the art work can be located.

Thanks for your urgent reply.

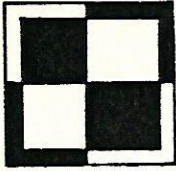

Best regards,

P. JELONEK

Dear Mr. Jelonek,

Thanks for your fax received today.

I confirm having sold my franchise to Mr. P. Mouton.

I remember having printed invitations for you last year.

The artwork you are referring to is actually what Mr. Mouton faxed you. I do not think that there were positives, and whatever Mr. Mouton finds in the artwork file is the artwork which I kept for you. You may not be aware that it is not necessary nowadays, with improved technology, to print from positives. In most cases a laser copy from a computerised DTP system is used as artwork to print from. In addition, the faxed copy which Mr. Mouton sent you contains four cutting marks on the four corners which leads me to believe that this was the artwork which I used last year.

I trust that this answers your query.

Kind regards.

Yours sincerely,

FRANÇOIS MONTOCCHIO

Dear François,

Thanks for your fax of 18/8 to which I have not been able to reply until today.

I distinctly remember having provided you with block mounts/positives and what Mr. Mouton has given me is not the same artwork I obtained from the Committee's previous printers, and which I delivered to you in June 1993.

Moreover, the art work we are looking for is the 3 logos attached. No four cutting marks appear on this copy given to me by Mr. Mouton.

While I acknowledge improved technology, I do not see why I cannot recover material which was my property, left with you (on your suggestion) for safekeeping .

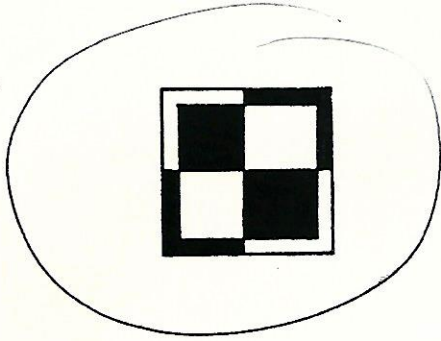

Trust you can assist.

WARSAW AIR LIFT - HISTORICAL BACKGROUND

August and September 1944 have poignant memories for Poles and South African airmen.

By August 1, 1944, the Russians had advanced to within a few miles east of Warsaw. General 'Bor' Komorowski and other leaders of the Polish underground resistance (the 'Home Army') judged the time right for rebellion against the Nazi occupying forces.

Stalin thought otherwise, for he had his own plans for post-War Poland. He halted his troops 15 miles east of the Vistula River, despite previous promises of support within 48 hours when the Home Army decided to go into action.

In desperation, the Home Army appealed to Britain and America for much-needed arms, ammunition, and medical supplies. These could only be delivered by air-drops. Again Stalin said 'Nyet': this time to the suggestion that aircraft might land in Russian-held territory to re-fuel.

The only aircraft with the range to tackle the double journey without refuelling were the Liberators of SAAF 2 Wing - 31 and 34 Squadrons - based at Foggia in Southern Italy, and Halifaxes, flown by the RAF, whose 148 and 178 Squadrons, as well as Polish Flight No. 1586, also took part.

The proposed supply-drops meant a journey of 1 600 km out over heavily defended occupied territory; roof-top height approach to the dropping zones in Warsaw, at lowest possible air-speed, through heavy anti-aircraft fire and the smoke and flames of the burning city; and another 1 600 km back to base - if they were lucky.

Out of 186 sorties, 92 were considered successful. That is, the Home Army were able to retrieve some of the 'material' dropped. Thirtyone aircraft were lost - 17 on the four terrible nights of August 13-16.

The Poles have long memories for their friends. To this day, flowers are laid on the graves of the airmen who did not 'make it'; a special memorial has been placed in St Anne's Church, Warsaw; and another at Michalin where a Liberator crashed after the supply drop. with the loss of three crew members.

GUEST SPEAKER

MK officers appointed as generals

CAPE TOWN — Defence Minister Joe Modise yesterday announced a shake-up of the SA National Defence Force, appointing seven former Umkhonto we Sizwe members as generals.

Two brigadiers were also appointed from the ranks of MK, and former Transkei Defence Force chief Maj-Gen Temba Matanzima retains his rank and takes over from Brig Toon Slabbert as officer commanding Eastern Province.

Modise also confirmed the posts of 12 serving senior officers.

The changes to the SANDF's top echelons will result in serving officers holding on to the top posts, but they have been balanced by the new appointments.

The appointment of two lieutenant-generals, five major-generals and two brigadiers from MK ranks was announced, while serving officers remained as chiefs of the army, air force and navy.

The only senior post still to be announced is that of Intelligence chief of staff. Lt-Gen Dirk Verbeek is acting chief of staff following the retirement of Gen Joffel van der Westhuizen.

Former MK chief of staff Sipiwe Nyanda will become the SANDF's first black chief of staff, but has been appointed in an acting capacity until he completes the necessary courses.

The positions of Army chief Lt-Gen Hattingh Pretorius, SAAF chief Lt-Gen James Kriel and Navy chief Vice-Adm Robert Simpson Anderson were confirmed.

Modise acknowledged that there had been pressure from within and outside the SANDF about the necessity to "maintain standards". But SA was going through a

TIM COHEN

transitional phase and special arrangements would have to be made.

SANDF chief Gen Georg Meiring said he was very happy with the appointments but the new senior members would have to undergo the relevant courses to equip them for their posts.

Modise gave the assurance that the defence burden would fall on volunteers in future.

He said the SANDF had been involved in contingency planning for a possible intervention in Lesotho with members of neighbouring countries' security forces. The situation was being monitored.

Regarding Angola, he said he was sure contingency plans already existed for possible intervention there if required.

Placement boards, including MK members, were considering the positions of other MK members and how they would be integrated into the new force.

No decision had yet been made about Apla members, although Modise made it clear that they would be included.

Meiring said the current force of about 91 000 would be supplemented by about 30 000 MK members. The force would be reduced to its current level again in three years by a process of natural attrition.

Other serving officers whose positions were confirmed were: Surgeon-General Lt-Gen Neil Knobel; Personnel Chief of Staff Vice-Adm Piet Loedolff; Operations Chief of Staff Lt-Gen Wessel Kritzinger; Logistics Chief of Staff Vice-Adm At Malherbe; Finance Chief of Staff Lt-Gen Ben

Raubenheimer; Inspector-General Maj-Gen Chris Lombard; Adjutant-General Maj-Gen Richard Knipe; Chaplain-General Maj-Gen JHJ de Witt; and Communication Chief Director Maj-Gen Gert Opperman.

Other new appointments were: Service Brigade Chief Lt-Gen Lambert Moloi (formerly MK operations director); Personnel Chief Director SANDF Headquarters Maj-Gen Andrew Masondo (MK political commissar); Chief of Army Staff Maj-Gen J

Tshali; Logistics Chief Director SANDF Headquarters Maj-Gen A Ismail; Intelligence Deputy Chief of Staff Maj-Gen P Tshikare; SA Army Command Commander Maj-Gen N Ngwenya; Brig M Motau who will be assigned to military intelligence; and Brig J Molefe as Inspections Director with special responsibility for human resources and women's rights.

Modise said other appointments would be announced soon.
